

HARVEST OF HOPE COMMUNITY GARDEN

Garden beds available for rent!

Box size availability: 6 & 10 foot

Cost: \$20.00 or \$30.00 + and additional \$5.00 annual membership fee.

Water provided.

What can I do?

- Sponsor a box to grow food for the Food Pantry. Don't garden? No worries! We will take care of the box for you!*
- Know a family who is low-income and loves to garden? We have a few prepaid sponsored boxes available for the family to garden. Connect with any of the Board of Directors (Rich Johnson, Mark Bany, Carol Diemer, Jonathan Diemer or Nettie Klinger). Let them know you have a candidate.*
- Love to garden and wish to help the food pantry? Help us maintain a box while enjoying your time spent with God and His creation.*
- Do you enjoy educating others? Help become involved in the community by teaching about various topics: gardening, composting, irrigation, landscape, canning, dehydrating foods, or other ideas you might have.*
- Don't wish to teach but wish to help? We can always use people who know irrigation, fundraising/grant writing, public awareness (newsletters, newspapers, etc.), and community relations.*

President: Rich Johnson (richcooler@gmail.com)

Vice President: Mark Bany (babany@msn.com)

Financial Secretary: Nettie Klinger (klinglernd@gmail.com)

Recording Secretary: Carol Diemer (Cdiemer@cox.net)

Non-Executive Member: Jonathan Diemer (Pikininidima@cox.net)
